

Livonia Save Our Youth
Coalition

Naloxone (Narcan) Training

Naloxone is a life-saving antidote to opioid overdose. Narcan is a nickname for Naloxone.

Livonia Save Our Youth Coalition can train individuals and community groups on how to use Narcan in an overdose situation. Training also includes education about opioids and its effects on the body.

Training also includes one free Narcan kit.

To schedule a Narcan training session for your business or community, contact Livonia Save Our Youth.
